

Lineup Instruction Form

- **You are being asked to view a group of people.**
 - You will be viewing them one at a time.
 - Please look at all of them.
 - They are presented in random order.
 - Please make a decision about each person before moving on to the next one.
 - I am required to show you the entire group.
- **The individuals may not appear exactly as they did on the date of the incident because features such as head and facial hair are subject to change.**
- **The person you saw may or may not be in this group of people.**
- **You should remember that it is just as important to clear innocent persons from suspicion as it is to identify guilty parties.**
- **The officer who will be administering the lineup does *not* know whether any of the people in the lineup are the person you saw.**
- **Regardless of whether or not you select someone, our police department will continue to investigate the incident.**
- **If you do select a person, I will ask you to tell me, in your own words, how certain you are of your identification.**
- **And, if you select someone, please do not ask me questions about the person. The law prevents me from sharing information with you at this stage of our investigation.**
- **Regardless of whether you select someone, please do not discuss this procedure with any other witnesses or the media.**
- **Do you have any questions before we begin?**
