

## Photograph Lineup Instruction Form

- **You are being asked to view a set of photographs.**
  - You will be viewing the photographs one at a time.
  - Please look at all of them.
  - They are in random order.
  - Please make a decision about each photograph before moving on to the next one.
  - I am required to show you the entire series.
- **The person you saw may or may not be in this set of photographs.**
- **The officer showing the photographs does not know whether any of the people in the array are the person you saw.**
- **The individuals in the photographs may not appear exactly as they did on the date of the incident because features such as head and facial hair are subject to change.**
- **You should remember that it is just as important to clear innocent persons from suspicion as it is to identify guilty parties.**
- **Regardless of whether or not you select a photograph, our police department will continue to investigate the incident.**
- **If you do select a photograph, I will ask you to tell me, in your own words, how certain you are of your identification.**
- **And, if you do select a photograph, please do not ask me questions about the person shown. The law prevents me from sharing information with you at this stage of our investigation.**
- **Regardless of whether you select a photograph, please do not discuss this procedure with any other witnesses or the media.**
- **Do you have any questions before we begin?**
