

Voice Lineup Instruction Form

- **You are being asked to hear a group of people speak.**
 - You will hear them one at a time.
 - Please listen to all of them.
 - They are presented in random order.
 - Please make a decision about each person before moving on to the next one.
 - I am required to have you listen to each person.
- **The person -- whose voice you heard during the incident -- may or may not be in this group.**
- **Please pay no attention to the content of the words spoken. They have been chosen at random.**
- **The officer administering the procedure does not know whether any of the voices belong to the person you heard.**
- **You should remember that it is just as important to clear innocent persons from suspicion as it is to identify guilty parties.**
- **Regardless of whether or not you select someone, our police department will continue to investigate.**
- **If you do select a person, I will ask you to tell me, in your own words, how certain you are of your identification.**
- **And, if you select someone, please do not ask me questions about the person. The law prevents me from sharing information with you at this stage of our investigation.**
- **Regardless of whether you select someone, please do not discuss this procedure with any other witnesses or the media.**
- **Do you have any questions before we begin?**
