

2019 CIVIL SERVICE PROMOTIONAL EXAMINATION STUDY PLAN

aka . . . 19 weeks to your promotional glory!

Your Mindset & Equipment

- **Don't listen to the naysayers . . . you have plenty of time to score and get promoted. But you have to be smart about it.** You need to find 12 hours per week! You have to concentrate your study time to maximize coverage and preparation. Is 216 hours between now and September 21st too much to ask for a promotion that will enhance your career and your income? Go for it!
- **Get the right equipment and take the right classes.** This study plan is geared to the following preparation materials:
 - Management.** You need to read the four management texts; take the Management Master class; and complete the 1,900 practice questions on the four assigned books – Police Administration 9th ed.; Iannone's Supervision 8th ed.; Community Policing 7th ed.; and Criminal Investigation 12th ed. Most candidates don't commit to the management texts. This is your edge! Live class, CD lectures and practice questions are the best way to do this!
 - Law.** You also need LED's four law texts – criminal procedure, law, motor vehicle, and juvenile – and the corresponding "Q books," which provide 3,000 questions to get you tuned up on all the law materials! Take the four day law class (procedure, criminal, mv and juvenile). Listen to the CD lectures.
